EXPORTING DIGITAL DATA FROM CLIMATE FIELDVIEW

**Login
https://fieldviewplus.com/**
from your web browser.

Click "Data" from the top menu, then click "Data Manager".
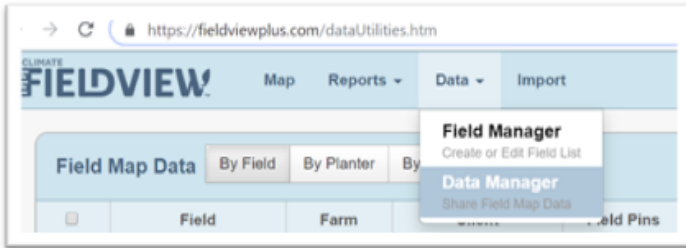

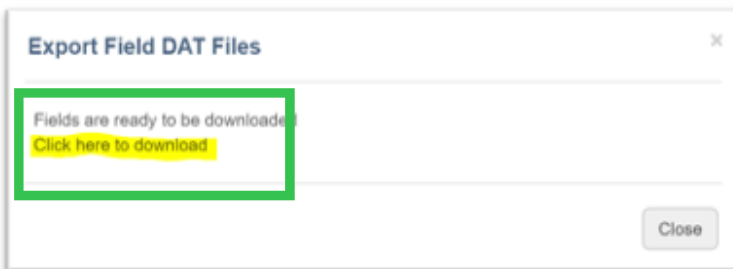

Select individual field(s) to share.

Click "Actions" in the top right corner.

Select "Export DAT Files".

After the files are process, in the "Export Field DAT Files" window click "Click here to download".

Your file will download to your computer.

Upload this zipped file to the Portal.
